CONDITIONS

The Landowner shall:

1. Complete a Rain Garden Worksheet including details on design and construction;
2. Maintain the rain garden for a minimum of five years after construction;
3. Not begin building the rain garden before receiving approval of participation by the Seine-Rat River Conservation District;
4. Indemnify and save harmless the Seine-Rat River Conservation District, their agents, engineers, servants, and/or employees from any liability which may result from this project.

The Seine-Rat River Conservation District shall:

1. Provide guidance and expertise regarding design and construction plans;
2. Conduct a preliminary site visit prior to construction, as well as a final site visit after project is complete;
3. Reimburse the landowner to a maximum of \$500 per project, provided that the project received a successful final site visit and inspection.

The projects resulting from this program are subject to available annual funding. The SRRCD staff will determine application priorities on a first-come, first-serve basis. All projects must be approved by the SRRCD board prior to construction and/or installation.

I hereby declare that I have read the Conditions and I agree to abide to the said Conditions. I further agree to cooperate with the Conservation District in this regard.
