VIII. UNFINISHED BUSINESS

Gerry Dube expresses concerns over excessive water flow within Seine River from La Broquerie to Ste. Anne, and asks the Board what can be done to slow the rapid increase in flow, and stream bank erosion problems. Gerry is told by the Board that sub-district 8 members have had numerous discussions on this issue and have placed top priority on these issues for immediate discussions and planning at the sub-district level.

IX. NEW BUSINESS

Board received and approved of information related to Liability Insurance Program Renewal with Hayhurst Elias Dudek (HED) Inc.

Art Bergman reported on the March 10th meeting at the Cooks Creek Conservation District office. Art was thrilled that the Salmon Lake and Forest Road 13 and 13A (Stefanson Report) was finally being approved by the Province. The plan includes upgrades to Fireguard 13 & 13A instead of decommissioning the road as suggested by Manitoba Conservation (Forestry). All partner financial commitments, including the contribution from the SRRCD of \$3,050/year for two years were outlined in the draft

agreement to be signed by all partners. The agreement contribution from Manitoba Water Stewardship is \$25,000/year for two years.

28 – 2005: Art Bergman - Jean Gagnon

BE IT RESOLVED THAT the Chairman of the SRRCD signs the Agreement between Manitoba Water Stewardship, the Rural Municipalities of Reynolds, Tache and Ste. Anne, the Seine-Rat River CD, and the Cooks Creek CD, to be involved in the upgrade work at Fireguard 13 and 13A as presented.

CARRIED

29 – 2005: Chris Goertzen - Jean Gagnon

BE IT RESOLVED THAT the SRRCD approach Manitoba Water Stewardship to become involved in the initiation of an Integrated Watershed Management Plan for the Seine River watershed, to be used as an essential future planning tool.

CARRIED

Chairman Goertzen brought up the topic of changing the name of the Seine-Rat River Conservation District for discussion amongst Board members. No name change was suggested and the present name will remain.

Chairman Goertzen also mentioned that the province has submitted the required papers to the CD Commission for approval of an Order in Council to make the SRRCD an officially formalized Conservation District in the province. The SRRCD expects notification within the next month.
